We use extra virgin olive oil in all our recipes and first quality sunflower oil for frying. If you have special nutritional needs or allergies and want to know the ingredients used, please let us know.

Our meats are carefully selected, the olives are of our own production and they give us extra virgin olive oil. Our cheeses come from Roumeli from the area of Karpenisi and the honey from Orini Nafpaktia. We respect our place, we prefer Greek products and we use recyclable materials.

The consumer is not obliged to pay if he does not receive the legal document (receipt or invoice). Prices include all legal charges.
